

Payments and Refunds POLICY & PROCEDURE

Purpose

The purpose of this policy is to outline Flexible Business Learning's (FBLearning) commitment to provide students fair and equitable payment terms and conditions, while ensuring that FBLearning remains a financially viable business. This Policy outlines our commitment to fulfil the Standards for Registered Training Organisations (RTOs) 2015 under Clause 5.3.

Scope

This policy relates to the receipt, storage and refund of all fees relating to the provision of nationally accredited training and assessment services and applies to all students enrolled with FBLearning.

Responsibility

The Administration Officer is responsible for the accurate recording of all financial information relating to student payments and refunds.

The Training Manager is responsible for calculating and setting all course fees, refund amounts and additional administrative and resource charges.

The Director is responsible for the approval of all refunds. The Director is responsible for liaising with company accountants and any required audits of company accounts.

Policy

FBLearning will ensure that all information regarding the payment of fees including course fees, administration fees, material fees and any other charges or potential charges will be made available to the student prior to enrolment. This information is available at enrolment in this Policy and in the *FBLearning Student Handbook* that students can access:

- On the FBLearning website
- Via email in PDF form when requested through the Administration Officer or Training Manager
- In hardcopy at the FBLearning office.

When collecting student fees in advance FBLearning will ensure that all payments collected before training and/or assessment commences do not exceed a total of \$1000. Where the total fees for the course exceed \$1000, a payment schedule will be established, and the payment of installments will be communicated to the student at enrolment. Payments are required on the installment due dates. At no time will the payments requested from the student in advance of the service being provided exceed \$1500.

Where the full fee for the course (including administrative and materials charges) does not exceed \$1000, the full payment must be made before enrolment is confirmed. Administration Fees applied to refunds are 25% of Full Course payment and capped at \$250.

Payments can be made to FBLearning via the following methods:

- Direct debit to the details provided on the invoice

- Credit Card. Credit Card Payments are subject to a 2.2% surcharge.
- Cash Payments at FB Learning office.

A student's enrolment in a course with FB Learning will not be guaranteed until the initial fee payment is received.

If, due to unforeseen circumstances, and through no fault of the student, FB Learning is unable to complete the training and assessment agreed to at enrolment, FB Learning staff (in consultation with the student) will organize for an external provider to complete the student's training and assessment on the company's behalf. If alternate arrangements cannot be made to the satisfaction of the student, the student will be provided with a Statement of Attainment for all units received by FB Learning and a refund of any fees for units not yet provided.

Students enrolled in classroom based delivered programs will receive a full refund (including administration fee) in any of the following circumstances:

- The course is cancelled before it commences
- The course is rescheduled to a time and location that is unsuitable for the student before it commences

Students enrolled in classroom based delivered programs may be eligible to receive a partial refund of course fees in any of the following circumstances:

- If a student who has commenced training must withdraw for personal reasons beyond their control and can verify this in writing. For example:
 - Significant Illness (verified by a medical certificate)

- The student has breached FB Learning's Student Code of Conduct
- The student has failed to complete the course within the designated period without an approved deferral or course extension
- The student has enrolled in a training course which has been clearly identified as non-refundable at enrolment.
